

## **IRTE in Spain**

The Police Department of Spain in association with TRAFPOL and the WRSN organised a 3-day Congress in Elche, in Spain, from 13th to 15th October, 2004, on International Perspectives in Traffic Management & Education. President, IRTE was invited to this forum to make a presentation on the innovative practices in road safety education for developing countries. The 3-day conference was attended by over 400 delegates from Spain and other parts of the world.
